ABOUT COMPANY:

UNLIMITED POWER FULL LEARNING (UPL) aims to solve the challenges and minimize the gap between students with IT industries' expectations. This organization is built by a strong team who are having good academic and industry experience of more than two decades. The founder of this experience G.D. Mallikarjuna has 20+ plus started as a technologist having diverse experience in the education sector as Trainer and Developer.

VISION:

At UPL@SNIPE, we make the best experience in technology learning with career guidance for their life journey

MISSION:

Learn with Live experience and career values.

PROGRAMS OFFERED:

PROGRAMS	DURATION	AMOUNT + GST
CODING BOOT CAMP	4 TO 6 MONTHS	Rs.30000/-
CERTIFICATION COURSE	3 SEMESTERS 1 YEAR COURSE	Rs. 25000/- per semester Rs. 10000/- final semester
CAREER BRIDGE	3 MONTHS	Rs. 50000/-
INDUSTRY READINESS PROGRAM	3 MONTHS	Rs.20000/-

*Terms and Conditions are subjected to further discussion before signing the legal agreement

UPL
UNLIMITED POWER FULL LEARNING

INDUSTRY READINESS PROGRAM

ABOUT THIS MODEL

- **Category:** Virtual Program
- Target Audience: Freshers
- **Duration:** 6 Months
- **Cost:** Rs. 25,000/Candidate
- **Course Coverage:** Interview Preparation, Resume preparation, Soft skills, Problem Solving, Data Structure, Algorithms, Data structure, Fundamentals Programming in C/C++/JAVA and Python.

BENEFITS

· Complete course offered, no upselling to join advanced courses.
· Time-tested strategy, which has helped thousands of traders and investors across the globe.
· Quality education at an affordable price.

SYLLABUS

SEMESTER 1

UNIT_001 : QUANTITATIVE-APTITUDE   03 HRS

Algebra, Area, Averages, Mean, Median and Mode, LCM and HCF, Logarithms, Number Systems, Percentage, Permutation and Combinations, Pipes and Cisterns, Probability, Profit and Loss, Races, Ratio, Proportions and Partnerships, Sets, Simple and Compound Interest, Simplification and Approximation, Speed, Distance and Time, Time and Work, Trains, boats and streams, Trigonometry, Heights, and Distances

UNIT_002 : DATA INTERPRETATION AND LOGICAL APTITUDE   03 HRS

Coding, Decoding, Logical Reasoning, Blood Relationship, Coding Relationship, Data Interpretation, Number Series, Puzzles.

UPL
UNLIMITED POWER FULL LEARNING

UNIT_003 : SOFT SKILLS   05 HRS

Positive Thinking, Overcoming shy barriers, time management, leadership qualities, SWOT Analysis, Goal setting, Self-Motivation, Resume Building, Resume building, Interview Technique, Email Etiquette,Decision-making and work ethics

UNIT_004 : INTERVIEW PROCESS   05 HRS

The pre-requisite of the Interview Process is, Right experiences, Projects, Programming and Language, Challenges, Mistakes, leadership, conflicts, and what you did differently

UNIT_005 : ALGORITHMS   05 HRS

Algorithms, Time complexity, Recursion, Divide and Conquer, Greedy, BFS, DFS, Binary Search, Dynamic programming, Graphs

UNIT_006 : DATA STRUCTURE   05 HRS

Array, Stack, Queue, Linked List, sorting technique, Tree, Memory (stack v/s Heap),

UNIT_007 : PROGRAMMING   03 HRS

Bit Manipulation, OOPS Concepts, class and objects, constructor, Threads, C, C++, java and Python fundamentals.

UNIT_008 : WRITTEN AND INTERVIEW SAMPLE PAPERS   05 HRS

Sample papers with solution (10 papers)

SEMESTER 2

UNIT_001 : JAVA FULL STACK (I)   05 HRS

Core Java, JDBC Programming, Servlet, Spring, Spring Data JPA, Spring boot, SOA, Microservice architecture Design pattern, HTML, CSS, BOOTSTRAP, REACTJS, Typescript, and Angular

UNIT_002 : PYTHON AND DATA SCIENCE(II)   05 HRS

Core python, Advanced Python, statistics, Machine learning and Deep learning

UNIT_003 : AUTOMATION TESTING(III)   05 HRS

Manual Testing, Core Java, Selenium, API Testing

UNIT_004 : FRONT END TECHNOLOGIES(IV)   05 HRS

HTML5,CSS3,JavaScript, Typescript, angular, ReactJs, NodeJS, MangoDB,Vue.js, MEANSTACK

UNIT_005 : CAPSTONE PROJECT   03 HRS

Demonstration of sample project and assignment

UNIT_006 : LIVE PROJECT   05 HRS

Implement one module

UPL
UNLIMITED POWER FULL LEARNING

NOTE:

- ·30 Hrs Per Month (4 Months -120 Hrs)
- ·Rs. 10000/- +GST per Semester
- ·40 Candidate per batch
- ·Virtual Program
- ·In semester II either option I, II and III chosen.
- ·Passed candidate in Test will work live project and Internship certificate will be issued
